

IDENTITY SYSTEM · SARA ARIF

Built for work that works.

A quiet, field-tested identity for software that replaces paper—clear enough for an operations manager, precise enough for the engineer who built it.

01 · TYPE

Space Grotesk

Headings · 500 / 600 / 700 · Free via Google Fonts

Inter keeps long case studies direct and easy to scan. Numbers stay crisp; the work stays louder than the typography.

Inter · Body · 400 / 500 / 600 · Free via Google Fonts

02 · PALETTE

FOUR COLORS. ONE SIGNAL.

MAIN · FOREST

#355E4A

TEXT · INK

#171A16

BACKGROUND · PAPER

#F4F1E8

ACCENT · SIGNAL

#C7F36B

03 · MARK

SA MONOGRAM

The S is the path through a process. The A is the structure underneath it. No separate symbol to explain.

04 · STYLE NOTE

PASTE INTO CLAUDE PROJECT

Fonts: Space Grotesk for headings; Inter for body. Colors: forest #355E4A, ink #171A16, paper #F4F1E8, signal lime #C7F36B.

Mood: calm, capable, and field-tested—editorial structure with one sharp signal; the work, numbers, and honest details stay loudest.
